She says she remained in the woods five or six days in this condition, living principally upon Whortleberries. She was found by some boys, when clothing was procured, and she was sent to this place and confined in jail. She has since, however, been taken to Kappahannock County, and lodged in jail to await her trial. -Culpeper Observer.

Total shipments for the year from the entire region 282,402 06 tons During the season 862 canal boats cleared from Cumber and, carry ing 104,050.07 tons of coal. Owing to causes which we have from time to time named, the shipments of coal up to this time, compared with the corresponding period of last year, show a a falling off of 71,776 tons. The number of tons of coal shipped by canal for this year, should navigation continue uninterrupted, will very probably exceed 200,000 tons.
